

E-BILL ENROLLMENT FORM

Go Green! Receive your water bill electronically

The Montecito Water District is pleased to offer a paperless billing option to its customers. Instead of receiving a paper bill, you can sign up to receive your water bill electronically via email.

The Benefits of E-bill are:

- The service is absolutely free
- You will have one less piece of mail to sort through
- You avoid mailing delays in receiving your bill
- By going paperless, e-bill saves trees, energy and resources

The E-bill will contain the same information that you are accustomed to seeing on your paper bill. The bill date, due date, amount due and other information will be the same. You will also be able to view your account through the District's website at www.montecitowater.com to view payment history and other details of your account.

You may opt to receive both a paper bill in the mail and an e-bill sent to your email or you can go completely green and opt to receive the E-bill only. You will no longer receive a paper bill in the mail if you check the E-mail only box. Check the option that you wish on the attached form.

Remember, if your email address changes, it is your responsibility to notify the District of your new email address.

Payment Methods:

The Montecito Water District offers a direct pay program where your payment can be directly debited from your bank account. This occurs on or around the 20th of each month. You will have time to review your bill and contact the District with any questions or concerns before the payment is debited. Contact the District for further information and a Direct Pay application form.

You may, of course, mail your check to the District or pay your bill at the District office.

 Please contact the District at (805) 969-2271 if you have any questions.
