POOL FILL / REFILL APPLICATION FORM

Water for private swimming pools, spas, and hot tubs is considered a non-essential use.

Property owners with private swimming pools, spas and hot tubs are permitted to maintain water levels, and to completely fill, and/or drain and refill **only once every five years upon application and written authorization from the District.** On written application to the District, property owners may request relief from these pool restrictions for the purposes of pool repairs, which relief is in the discretion of the General Manager.

Water for ponds is considered a non-essential use.

Property owners are permitted to maintain water levels for currently existing lined ponds only.

Water for new ponds, or for maintaining water levels on unlined ponds, must be supplied by an alternative water source. On written application to the District property owners may request relief from these pond restrictions for the purposes of pond repairs, which relief is in the discretion of the General Manager.

Please complete the application and sign below, acknowledging that a) you are hereby making an application to fill and/or refill the pool or pond at the address below.
