

CONSUMER CONFIDENCE REPORT 2021

WATER QUALITY CONTINUES TO MEET OR EXCEED STANDARDS

Montecito Water District is pleased to provide you with the Annual Drinking Water Consumer Confidence Report. This report explains where your water comes from, provides information on water quality and how it is measured, and presents the District's 2021 test results which show that drinking water met, or was better than, state and federal water quality standards.

The report is available to view or print online* at:
montecitowater.com/doc/ccr2021

Attention landlords, businesses, schools, and others:

Please share this information with tenants, employees, students, and any water users at your location who may not be customers receiving communications directly from Montecito Water District.

Este informe contiene información muy importante sobre su agua potable. Tradúzcalo o hable con alguien que lo entienda bien. Para información en español llame al 805.969.2271.

*As part of our efforts to reduce costs and environmental impacts, we are no longer mailing reports. If you would like to receive a printed copy of the report, please email info@montecitowater.com, call us at **805-969-2271**, or visit the District office at 583 San Ysidro Road, Santa Barbara, CA 93108.

HAVE A LEAK? FIND OUT NOW!

First: Find the Water Meter

Your meter is in a small box in the ground, usually near the street at the front of your property. The meter box cover will be labeled MONTECITO WATER. Be careful when removing the meter box cover so as not to damage the antenna or smash your fingers, and please be cautious of spiders, insects, and other potential hazards.

If you see the Faucet Icon, you probably have a leak!

Meter Functioning Correctly

How To Read Your Meter: Quick Guide

Tracking your usage with weekly meter reads is often the quickest way to identify leaks and can help avoid water loss!
